

HOUSE CLEANSING PRAYER

In the name of God I invoke that a grounded Healing
be activated throughout the whole of this house,
rendering it fit for human habitation.

May all negative energies be blessed -- released and taken care of.

I ask that the white Light of the Universe cleanse --
energise and fill this home with the miracle of Light and Love
to be felt by everyone residing in or visiting this special place.

From this day on I ask the Universe Source
to provide this home and it's occupants with

The blessing of Love

The blessing of Health

The blessing of Happiness

Thank you

Amen.
